

ACTIVITY 6C

# LET'S DO IT AGAIN! WAYS TO SAY "NO!"

## 1. SAY "NO" POLITELY

- No way.
- No, I don't want to do that.
- No, I'm not interested.

## 2. BE A BROKEN RECORD

- No way.
- No!
- I think I said no, never, no way!
- No!
- Not for me!
- What part of "no" don't you understand?

## 3. GIVE A COMPLIMENT

- I thought you were smarter than that.
- I have always thought you were fun, but I don't get this.
- Why do you want to ruin your appearance?

## 4. STATE THE FACTS

- That stuff is addictive and I don't need that.
- I don't want to have a police record.
- It is really bad for your health.

## 5. LAUGH IT OFF

- No way! I want to be able to remember what I say and do.
- I think I need all of the brain cells I have.
- No, the weather just isn't right for it.

## 6. JUST WALK AWAY (LET YOUR FEET VOTE FOR YOU!)

- Sorry, my friend is waiting. See you around.
- Hold on - I have to go call my mom.
- Nope, I have to go.

## 7. CHANGE THE SUBJECT

- Is it just me or is it hot in here?
- Hey, let's go shoot some basketball.
- Have you heard that new CD yet?

## 8. MAKE EXCUSES

- I have to take care of my little brother tonight.
- Nope, my coach says it will hurt my game.
- No, my folks check out my breath when I come home.
