

Visualizing Static Discharge

Name(s):

Scan the QR code with your smart device or follow [this link](#) to access the simulation.

1. Click and drag to move John's arm. What happens when you move John's arm to the doorknob?

2. Move John's arm back where it started. Click and drag John's foot to move it across the rug three times. What happens when you drag John's foot across the rug?

3. Move John's arm to the doorknob. Now what happens?

4. How do you think #3 happened?

Explore the simulation. Then talk with your partner about what might be happening.
